

So no one goes hungry.

Diversity and Inclusion Statement for Bread for Life

Bread for Life is a nonprofit organization that relies on the generosity of our community to help us fulfill our vision that no one goes hungry in Southington. Our mission is to feed, provide fellowship and offer an affirmation of dignity to those in need within the Southington community. To meet our mission, we provide meals served daily in our kitchen, delivered within our senior community and home-bound citizens, and to our children during summer. We work to ensure that everyone, regardless of ability, age, cultural background, ethnicity, faith, gender, gender identity, ideology, national origin, race, or sexual orientation has their food insecurity needs met. Hospitality and dignity for all are hallmarks that guide our work.
